STATINTL  
STATINTL

1. Mr. Murphy, of the office of Congressman Sieminski, talked to me regarding the case of [ ] who may be under consideration for employment at CIA. [ ] partner has been informed by the State Department that his passport will not be extended and is good only for return to the United States. I informed Mr. Murphy that we would not interfere in a matter of that kind and that if [ ] was being con- STATINTL sidered operationally he doubtless had informed the people with whom he was in contact about his partner's dilemma.

2. Mr. Carey, Chairman of the panel of the Employment Review Board, and Mr. Fforzheimer talked with Mr. S, whose case is presently before the Board and outlined procedures and discussed the background of his case in general.
